COMPANY OVERVIEW

Division 12 has been operating since 2006 within the Design Community offering both products and space management solutions. Over the years we have purchased and installed many different types of loose and fixed products to both K-12 institutions as well as Higher Education facilities. Collectively Division 12 has over 20 years within the Construction and Design communities.

All of these factors lead to our belief that our client is the most important person or organization in our business.

Division 12 Consulting is a minority owned contract furnishings company representing the finest manufacturers in the contract furnishings industry. Headquartered in Birmingham with sales staff in Huntsville, Montgomery and Atlanta, GA., Division 12 Consulting specializes in providing sales and service of contract furnishings throughout the state of Alabama as well as throughout the United States.

We at Division 12 Consulting are loyal to clients as well as to each other. We base many of our business and functional decisions on ethical issues and pride ourselves in providing quality furniture and design to our clients, large and small. The creative environment provided by our leaders encourages similar values and beliefs by our staff members. All of these factors lead to our belief that our client is the most important person or organization in our business. The project teams maintain a strong foundation of trust and mutual respect generated through positive relationships with clients, architects, subcontractors and manufacturers. A company-wide policy encouraging shared performance responsibility ensures the highest degree of professional service and results on all projects undertaken
