

ECOLOGIC FURNITURE ANNOUNCES PARTNERSHIP WITH DIVISION 12 CONSULTING TO SERVE THE COUNTRY'S HISTORICALLY BLACK COLLEGES & UNIVERSITIES AS WELL AS OTHER MAJOR UNIVERSITIES AND COLLEGES WITH ENVIRONMENTALLY FRIENDLY STUDENT DORM FURNITURE

Dormitory Furniture Manufacturer teams up with Division 12 Consulting, a dealer-rep group based on Alabama to provide furniture solutions and design to Historically Black Colleges and Universities across the nation

Chicago, IL: Ecologic Furniture, the nation's leading manufacturer of student dormitory furniture is proud to announce it has entered into a partnership with Division 12 Consulting Group to provide furniture solutions for our country's Historically Black Colleges and Universities. Ecologic Furniture has been dedicated to creating environmentally friendly furniture for the student housing market for over 30 years. As an industry pioneer in sustainable business practices, recycling and green manufacturing, Ecologic Furniture continues to design and manufacture the highest quality furniture for both on- and off-campus.

As Ken Klein, President of Ecologic Furniture, comments, "We are very excited to partner with Division 12 Consulting and company President Christopher Washington". The Ecologic – Division 12 Consulting Partnership will create industry leading furniture solutions for our country's Historically Black Colleges and Universities that will enhance each student's experience while on campus."

About Division 12 Consulting:

Division 12 Consulting is a minority owned contract furnishings company representing the finest manufacturers in the contract furnishings industry. Headquartered in Birmingham with sales staff in Atlanta, Huntsville and Montgomery, Alabama, Division 12 Consulting specializes in providing sales and service of contract furnishings throughout the nation. Over the years we have purchased and installed many different types of loose and fixed products to both K-12 institutions as well as Higher Education facilities. Collectively Division 12 has over 40 years within the Construction and Design communities.

About Ecologic Furniture:

For over 30 years, Ecologic Furniture has been the leader in designing and installing dorm furniture for Colleges and Universities, as well as off-campus student housing developments. The company is proud to count over 25% of the Colleges and Universities across the country as customers, as well as the nation's leading developers and managers of off-campus student housing.
