barbicanwalls

A reconfigurable, cross-compatible system of demountable partition walls and modular storage systems that offer a multitude of options, providing maximum design flexibility. Versatile in design and easy to assemble, Barbican provides solutions for every design challenge and to meet every specification.

more from barbican

barbicanacoustic

In environments where noise can be a productivity barrier or reduce comfort levels, such as offices, boardrooms, reception areas, restaurants, and cafes, Acoustic Reflex is an excellent solution. Our collection consists of precision cut shapes, seamless printed tiles, baffles, beams and dividers, bulkhead, ceiling solutions and lit and unlit fixtures, in standard colours, printed patterns and seamless textures.
